

### **REMARKS**

Applicants have now had an opportunity to carefully consider the Examiner's comments set forth in the Office Action of April 2, 2004.

All of the Examiner's objections and rejections are traversed.

Reexamination and reconsideration are requested.

### **The Office Action**

Claims 1-5, 7-9, 11-12, and 17 remain in this application.

Claim 1 is objected to because information recited in parenthesis is not considered part of the claim language. The applicants thank the Examiner for pointing this out and have made the suggested corrections to the claim.

Claims 8, 9, 11, and 12 are rejected under 35 U.S.C. 102(e) as being anticipated by Mima et al. (U.S. Publication No. 2002/0101604 A1).

Claims 1-5, 7, and 17 are allowed.

Claim 10 is objected to as being dependent upon a rejected base claim.

Claims 6, 10, 13-16 and 18-20 are or have previously been canceled.

### **Claims 1-5, 7-12, and 17 are Distinguished From the Cited Art**

Claim 1 has been amended per the Examiner's suggestion. The Applicants gratefully acknowledge the Examiner's indication as to the allowability of claims 1-5, 7, and 17.

Regarding claims 8-12, Applicants have currently amended independent claim 8 so that it is now distinguished from Mima et al by incorporating the limitations of now-canceled claim 10. As claims 9, 11 and 12 refer to and further define this now distinguished claim, it is submitted that these claims are now also distinguished from Mima et al. Therefore, claims 8-9 and 11-12 should now be considered allowable.
